If you need help, we can complete your online registration for you. Forms can be filled out at the Fair Office on the Cassia County Fairgrounds, Tuesday and Thursday, from 9-2, until August 10th. Those still needing help to pre-register may come to the Art/Education Building on Monday, August 15th, 12-5pm, but we encourage you to do it ahead of time, to keep you out of long lines and speed up entry time.

All pre-registered tags can be picked up at the Cassia County Fairgrounds at the 4H/Open Class Building Saturday, August 13th from 8-12pm, or during exhibit check-in from 3-8pm on Monday, August 15th in the 4-H/Open Class Building.

DEPARTMENT: PRODUCE AND CROPS

Adult/Youth

Superintendents: Sharon Bowers 678-5165/670-4400 and

Terisa Robinson 678-9279/431-9289

All ribbons received for Adult/Youth Produce and Crop Exhibits will receive the following premiums:

Blue - \$3.00 Red - \$2.00 White - \$1.00

1. All entries must be on **stiff heavy (Chinet-like) WHITE paper plates without a covering**. Berries and cherry tomatoes may be placed in stiff white bowls. Any produce entered on flimsy plates will be rejected.
2. Choose the vegetables you will exhibit and check the list for number of each required.
3. It is easier to select a good exhibit from many specimens than from a few. Points to consider in selecting vegetables for exhibit:

Defects	Size	Uniformity	Type	Color	Neatness
---------	------	------------	------	-------	----------
4. Plan the arrangement of your exhibit before you take it to the fair.
5. Youth and Adults may enter produce in as many divisions and classes as he/she wishes, but only **ONE** entry per class.
6. Cover vegetables, which dry out easily with clear thin plastic until entry time.
7. **General rules and regulations of the Fair as found elsewhere in the fair book will apply in the Produce and Crops Department.**
8. Exhibits must be prepared as follows:

Apples	stems on	Herbs	put in plastic bag
Berries (other)	no stem (except strawberries)	Kohlrabi	2 inch petioles
Cantaloupe	stem removed	Melon	1 inch stem
Carrots	1 inch tops	Beets	market size – 1 inch tops
Corn	sweet (husked)	Onions	1 inch top, skins off
Cucumber	¼ inch stem	Parsnips	1 inch top
Egg Plant	1 inch stem	Peppers	¼ inch stem
Green Onions	six inches long	Potatoes	washed

Pumpkin	2 inch stem
Radishes	½ inch top
Raspberries	stems removed
Rhubarb 18"	stalks pulled, not cut off; trim each stalk with 1½"-2" fan
Rutabaga	1 inch top

Summer Squash	8"-10" long with a 1" stem
Winter Squash	2 inch stem
Strawberries	stems on strawberries
Sugar Beets	trim all green off
Tomatoes (cherry, too)	stem removed
Turnips	inch top

Tips for showing your produce and crops:

Follow the directions in the fair book as to the number of items needed for the entry and how they are to be prepared. If the book calls for 5 apples, 4 will not do. That entry will be set aside by the judge. If the category calls for red tomatoes, half red and half green will not do. If stems are removed when the fair book calls for stems on, that entry will be set aside. Diseased, worm eaten, scarred, oversized or undersized entries are the first to be eliminated. Many times potatoes are eliminated simply because of dirt still on them. **Vegetables should be clean of all dirt and roots but not scrubbed.** When displaying more than one item in the entry, be sure they are uniform in size. **Do not mix vegetables.** Wild oat seed in grain crops will eliminate that entry. All entries should be of prime eating quality unless you are entering in the largest squash category, for example. **The judge is not required to give ribbons in any category where entries are substandard.**
