Open Class Coordinator– Stephanie Hamilton 208-219-1678

PLEASE READ AND FOLLOW RULES AND INSTRUCTIONS CAREFULLY. ENTRIES NOT IN COMPLIANCE WITH GUIDELINES WILL NOT BE ACCEPTED. THE OPEN CLASS COORDINATORS RESERVE THE RIGHT TO QUALIFY ARTICLES BEING ENTERED WITH CONSULTATION OF THE FAIR MANAGEMENT. ARTWORK WILL BE DECLINED IF ENTRY IS PERCEIVED TO BE OBJECTIONABLE.

1. Open Class fair exhibits can be pre-registered online starting, [Monday, July 2nd](#) . Go to www.cassiacountyfair.com and click on the link for Open Class registration. If you need help, we can complete your online registration for you. Forms can be filled out at the Fair Office on the Cassia County Fairgrounds, Monday, Wednesday, and Thursday from 9-2, until [August 3rd](#) . **Those still needing help to pre-register may come to the Art Building on the fairgrounds on [Monday, August 6th](#) , 4-7pm.**

THERE WILL BE NO REGISTRATION ON THE NIGHT OF EXHIBIT ENTRY

All pre-registered tags can be picked up at the Cassia County Fairgrounds at the 4H/Open Class Building Saturday, [August 11th](#) from 8-12pm, or during exhibit check-in from 3-7pm on [Monday, August 13th](#) in the 4-H/Open Class Building.

2. All exhibits are entered [Monday, August 13th](#) from 3-7pm in the 4-H/Open Class Building or Art Building. Items MUST be taken to the entry tables when entered. Flower Division entries can be taken to the back of the Art Building. Exhibits must remain throughout the fair to earn premiums, except where indicated.
3. **IT IS THE RESPONSIBILITY OF THE EXHIBITOR TO SELECT THE PROPER DIVISION AND CLASS FOR EACH EXHIBIT. ANY ARTICLE ENTERED IN THE WRONG DIVISION AND/OR CLASS WILL NOT BE JUDGED, UNLESS IT WAS THE MISTAKE OF THE ENTRY CLERK. INCORRECTLY ENTERED ITEMS WILL THEN BE FOR “EXHIBIT ONLY” DURING THE FAIR. EACH INDIVIDUAL IS LIMITED TO EXHIBITING ONE ITEM PER CLASS AND AN ITEM CAN ONLY BE ENTERED ONE TIME.** No item may be entered in “other” category if there is a class designated for it. A new class may be opened for items not listed in a division by the Open Class Coordinator. There must be three or more like items to make the class. Otherwise, articles without a class will be put in other or for “display only”.
4. All exhibits MUST be homemade, finished within the current year, or never before exhibited at the Cassia County Fair, and be the “original” product of the exhibitor. All canning entries MUST have been canned within the current year. The only exception to this is Art which must have been completed within the last 4 years and never before exhibited at Cassia County Fair. All traces of ownership must be removed or well-covered for exhibition. Business cards are not allowed in any Open Class area. Loose pieces of an exhibit MUST be attached to a base, or bagged together so that they can be moved for judging. Articles that are soiled, or canned food that is opened prior to entry, cannot be accepted for exhibition.
5. All sewing, handwork, and food items must be covered with plastic. Use zip lock-type bags on food items and small handwork. **Exhibitor tags must be attached directly to the items** and not to the plastic covering. If not covered, the exhibitor will assume full responsibility for soil or damage. Reasonable precaution will be taken in protecting the exhibits during the fair. The Open Class coordinators, superintendents, Extension Office, and Cassia County Fair Board will **NOT** be responsible for the loss or damage of articles whatever the cause. The exhibitor must arrange for insurance if it is desired.
6. Individuals may compete for “**Best Exhibitor**” in **Foods**-(Baking, Candy, Food Preservation), **Home**-(Ceramics/Pottery/Sculpture, Hobby & Home, Woodworking/Leatherwork), **Handiwork**-(Handwork, Quilting, Sewing) and **Art**-(Art, Photography, Flowers). An individual may only win 3 times per division. Presentation of these awards will be at 7:45 PM, Saturday, [August 18th](#), prior to the Rodeo.

Division 409: Homemade and Handy

Are you an inventor? Then this is the category for you! Bring in all those "one of a kind" items you built to use around your home or business. Enter the items you either would not buy or thought you could build for less than buying. Judging will be based on usefulness, how unique the item is, and the amount of recycled material used. Finished appearance is not important in judging. Entry should include builder's name, explanation of use, approximate cost and reason for building item.

Class

- Smaller than the size of a pick-up bed

- Any item that is made from a kit **MUST** be entered as a kit project.
- Exhibits will be judged on creativity, complexity by age, color and clarity (i.e., can we tell what it is). When in doubt add a description/story.
- General rules and regulations of the Fair as found elsewhere in the fair book will apply in the LEGO/KNEX Department.**

SPECIAL AWARDS: BEST OF SHOW – YOUTH 6-12 & 13-18 & ADULT 19+ & Professional DEPARTMENT: PRODUCE AND CROPS

Superintendent: Sharon Bowers 670-4400/ Rebecca Lake 431-4031

- ALL ENTRIES MUST BE ON STIFF HEAVY CHINET PAPER PLATES WITHOUT A COVERING. BERRIES AND CHERRY TOMATOES MAY BE PLACED IN STIFF WHITE BOWLS. ANY PRODUCE ENTERED ON FLIMSY PLATES (for example, foam, Dixie, etc.) WILL BE REFUSED ENTRY.**
- Choose the produce you will exhibit and check the list for number of each required.
- It is easier to select a good exhibit from many specimens than from a few. Points to consider in selecting produce for exhibit:
Defects Size Uniformity Type Color Neatness
- Plan the arrangement of your exhibit before you take it to the fair.
- Youth and Adults may enter produce in as many divisions and classes as he/she wishes, but only **ONE** entry per class.
- Cover herbs, which dry out easily with clear plastic cellophane or a baggie.
- General rules and regulations of the Fair as found elsewhere in the fair book will apply in the Produce and Crops Department.**
- Exhibits must be prepared as follows:

Apples-stems on	Herbs-put in plastic bag	Radishes-½ inch top	Winter Squash-2 inch stem
Berries-no stem (except strawberries)	Kohlrabi-2 inch petioles	Raspberries-stems removed	(hubbard, spaghetti, acorn, banana)
Cantaloupe-stem removed	Melon-1 inch stem	Rhubarb-18" stalks pulled, not cut; trim each stalk with 1½"-2" fan	Sugar Beets-trim all green off
Carrots-1 inch tops	Beets-market size, 1 inch tops	Rutabaga-1 inch top	Tomatoes-(cherry, too) stem removed
Cornsweet-(husked)	Onions-1 inch top, skins off	Summer Squash-8"-10" long with a 1" stem (zucchini, butter stick, crookneck)	Turnips-1 inch top
Cucumber-¼ inch stem	Parsnips-1 inch top		
Eggplant-1 inch stem	Peppers-1 inch stem		
Green Onions-six inches long	Potatoes-washed		
	Pumpkin-2 inch stem		

Tips for showing your produce and crops:

Follow the directions in the fair book as to the number of items needed for the entry and how they are to be prepared. If the book calls for 5 apples, 4 will not do. That entry will be set aside by the judge. If the category calls for red tomatoes, half red and half green will not do. If stems are removed when the fair book calls for stems on, that entry will be set aside. Diseased, worm eaten, scarred, oversized or undersized entries are the first to be eliminated. Many times potatoes are eliminated simply because of dirt still on them. **Vegetables should be clean of all dirt and roots but not scrubbed.** When displaying more than one item in the entry, be sure they are uniform in size. **Do not mix vegetables.** Wild oat seed in grain crops will eliminate that entry. All entries should be of prime eating quality unless you are entering in the largest squash category, for example. **The judge is not required to give ribbons in any category where entries are substandard.**

QUILTING STANDARDS:

1. Quilts should reflect the combination of art and sewing. A quilt should be durable; seams should be firm and even.
2. Workmanship of quilt top should be neat and precise.
3. Pieced blocks or shapes should be cut accurately and stitched so joinings are accurate. Cut fabrics on grain, do not stretch fabric when piecing.
4. Thread color should match or enhance the design.
5. Stitches should not be so tight they cause the background to pucker.
6. Filling should be smooth and evenly distributed throughout the quilt, to the edges, and into corners.
7. Quilting stitches should be integrated with other surface designs and even in length, uniform and neat and appropriate distance apart for the batting used. Quilt pattern marking should not show on the finished quilt.

11. Pieces should be cut accurately with adequate seam allowance. If edges are turned, they should be turned evenly and stitched to the background.
12. The thread or yarn should be suitable for the type and weight of fabric.
13. Neither the background material nor the applied pieces should be puckered or stretched.
14. Knots, thread ends, and carried thread or yarn should not appear on the wrong side of work.
