Advertising & Sponsorship Opportunities

The Cassia County Fair and Rodeo has been a social hub of our community for over 100 years. Without the generous time and donations of our community, none of this would be possible. This event is the 3rd week of August. In order to continue to bring the best quality competitors to our rodeo, we feel we need to keep our purse structure at a competitive level. The higher purse money offered, the more likely we are to attract better quality competitors. With your help, we will be able to continue to bring a top quality rodeo to our community.
