2023 CASSIA COUNTY QUEEN

Bailie Bramwell

Rodeo Royalty Promoting Our Western Way of Life With a Twist

Bailie Bramwell, also known as “The Zebra Queen,” possesses talents that range far beyond the traditional. She lives in Grant Idaho, where she shares a vintage 1919 farm home with her mom, Tera Fortner and an assortment of animals, including horses, cattle, Sicilian donkeys, ducks, and Indy the cow dog. There are also various exotic beasts, like tropical birds, Javelina/ Juliana mini pigs, and Poe the skunk. They all require love and care from our reigning queen.

Bailie has a certificate in women’s self defense and studied MMA fighting under her beloved master, the late Lari Beebe. She may look small but, this little firecracker has overcome many personal challenges with a “go-get’em” attitude. With her faith and healing love from her family and “Princess Pit Crew,” Bailie chases her dreams. Bailie started riding horses at the tender age of two and began rodeo queening just after turning eight. She has held numerous titles, won 6 saddles, as well as several high point horsemanship and Miss Congeniality awards. She also enjoys competing in barrels, poles, reined cow horse, and mounted shooting events.

Bailie graduated with honors from Rigby High School in 2019, where she excelled at science, equine studies, and zoology. She is currently attending college online to complete her bachelor’s as a veterinary technician. She plans to continue her education abroad to fulfill her dreams of becoming a veterinarian with an emphasis in equine genetics or orthopedics. She was chosen to participate in the 2019 AQHA Young Horse Development Program, sparking her interest in studying the lines of her personal equines. Bailie aspires to perfect her breeding training program in hopes to compete for the AQHA Remuda Challenge. She also hopes to one day own a zebra. Animals will always be a part of Bailie’s life and career.

Bailie has a passion for our beautiful country, and she works hard to support many charities. Breast cancer’s “Tough Enough to Wear Pink,” Toys For Tots, Adopt a Veteran Program, Wounded Warrior Project, and Operation Hugs all receive her time and attention. Within her community, Bailie and her mom are always available with a helping hand, tractor, or home cooked meal. Bailie’s Old fashioned fruit cobbler, and cheesecake are legendary!

Concert, Saturday, August 12

A multi-faceted entertainer, Craig Morgan has made a name for himself as a country music icon, TV personality, celebrated outdoorsman and patriotic Army veteran. One of country music's best-loved artists, Morgan has charted 25 songs on *Billboard* and thrills massive crowds with signature hits including "Bonfire," "Almost Home," "Redneck Yacht Club," "International Harvester," "This Ole Boy," "Soldier," "Wake Up Loving You," "That's What I Love About Sunday" and his faith-filled tribute to his son Jerry, "The Father, My Son and The Holy Ghost."

Craig received one of country music's highest honors when he was inducted as a member of the Grand Ole Opry. Prior to becoming a country music star and TV sensation, Morgan spent seventeen years serving our country in the Army and Army Reserves. Morgan remains an avid supporter of America's military personnel and has made 16 overseas trips to perform for our troops. He is a recipient of the 2006 USO Merit Award and in 2018 was awarded the Army's Outstanding Civilian Service Medal, one of the highest awards the Department of the Army can bestow upon a civilian, in recognition of his significant dedication to our military men and women around the world.

This fall, Craig will release his gripping new memoir — *God, Family, Country* — in partnership with Blackstone Publishing. He details all aspects from his inspiring life, revealing never-before-heard stories including how he worked alongside the CIA as a soldier in Panama, fought sex traffickers as an undercover agent in Thailand, forged his own path to country music stardom, and how he lives his life by the deepest values: God, family, and country.

Featuring **EllieMae**

The heart and the heritage of country music and farming are intertwined in EllieMae.

Born and raised in Southern Idaho, EllieMae is familiar with the dirt roads that led to both harvest and song lyrics. As a songwriter, EllieMae writes what she knows: country life, family, love and loss, and Coors Light. She's the best parts of country – good music and incredible storytelling.

GRAND MARSHALS Dr. Tom and Irene Blayney

The Cassia County Fair Board is pleased to recognize an outstanding local Veterinarian.

Dr. Tom Blayney graduated from Colorado State University in Veterinary Medicine in 1964. Immediately after graduation, Dr. Blayney began his practice at Burley Veterinary Hospital.

He met and married Irene in Burley after meeting her at Dr. Kelly's office. Irene worked as a registered nurse for Cassia Regional Medical Center for 30-plus years. Together they have three daughters; Mary Frances, Jane, and Ellen.

Dr. Tom has tended to the 4-H livestock, race horses before and after racing, and the rodeo livestock many times for many years. Dr. Tom was also a contestant in the roping events at the rodeo for several years.

He was instrumental, along with the fair board members, in producing the team sorting event. He organized and furnished cattle for the events. He was also a contestant in the sorting. Dr. Blayney was supported by his wife, Irene, and daughters.

Dr. Blayney was recognized by the Cassia Fair Board for his many years of service to the team sorting event.

He has always been very appreciative of the opportunities and friendships that he has made in the community and at the fair.

Cassia County Fair and Rodeo has teamed up with the Man Up Crusade to bring "Purple Night" to the rodeo on Thursday night.
